Summary

A multi-purpose holder for shower brush and/or squeegee. Designed to fit over metal frame snugly and stay put.

[Household](#) > [Bathroom](#)

A multi-purpose holder for shower brush and/or squeegee. Modeled to fit over a 2.5cm x 4.0cm metal frame, angled on the back side, w/ a small lip to ensure it stays put when items pulled off the hook holder.

Sized to hold two brushes or one squeegee. The picture is of the rather large Lillnaggen squeegee from Ikea.

Print at .20mm w/ 20% infill, support materials needed between the two hooks.

Added 3mf file w/ painted on snug supports between the two hooks.
