Summary

Easy to print. Easy to assemble Spool Holder

[3D Printers](#) > [Accessories](#)

ENG:

Easy to print, easy to assemble Spool holder.

This is just the thing, on which the spool sits.

You need:

2 x Filamentholder-Screw

1 x Filamentholder-Corpus

After print, you just screw the three parts together.

Screws diameter: 19 mm

Corpus diameter: 50 mm

Corpus lenght: 98 mm

GER:

Einfach zu drucken, einfach zu montierender Spulenhalter.

Dies ist nur das Teil, auf dem die Spule sitzt.

Sie benötigen:

2 x Filamentholder-Screw

1 x Filamentholder-Corpus

Nach dem Druck schrauben Sie die drei Teile einfach zusammen.

Durchmesser der Schrauben: 19 mm

Korpus-Durchmesser: 50 mm

Korpus-Länge: 98 mm
