Summary

Simple containers in 2 parts that can be used as a pen holder on a desk, a (LED) tea light holder or even a vase or pot.

[Household](#) > [Home Decor](#)Tags: [vase](#) [pot](#) [gift](#) [hearts](#) [valentinesday](#)

A quick design meant to be used in a variety of ways. Printed regularly, it has structure to be used as a pencil holder, vase or even a pot for a plant. With the inside printed in vase mode, it can be used as a tea light holder projecting hearts onto the wall.

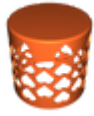

Print as oriented. This will prevent needing supports.
