Summary

A simple cover to hide the obnoxious blue LEDs at night on the Cyber Acoustics CA-3602 volume control unit.

[Gadgets](#) > [Audio](#)

A simple cover to hide the obnoxious blue LEDs at night on the Cyber Acoustics CA-3602 volume control unit. Print with the large flat area face down. I used the Archimedean Chords as the bottom fill pattern for a nice top finish. You may need to scale it up or down a percent or two for a snug fit depending on the precision of your printer.
