This is a temporary & emergency Contact Display Card which shares you contact information with people in an unknown area so that they can contact you for anything related to your car.

There are 3 versions of this Emergency Contact Display Card :

- 10 Digit Number Unit
- 11 Digit Number Unit
- 12 Digit Number Unit

There are separate number tiles from 0-9 including '+' and a blank one if you want to customize it. There is also a single 10 / 11 / 12 digit sized blank tile if required.

The number can be hidden by rotating the cylinder. There is also a knob lock given in case you feel that the cylinder is not tight enough.

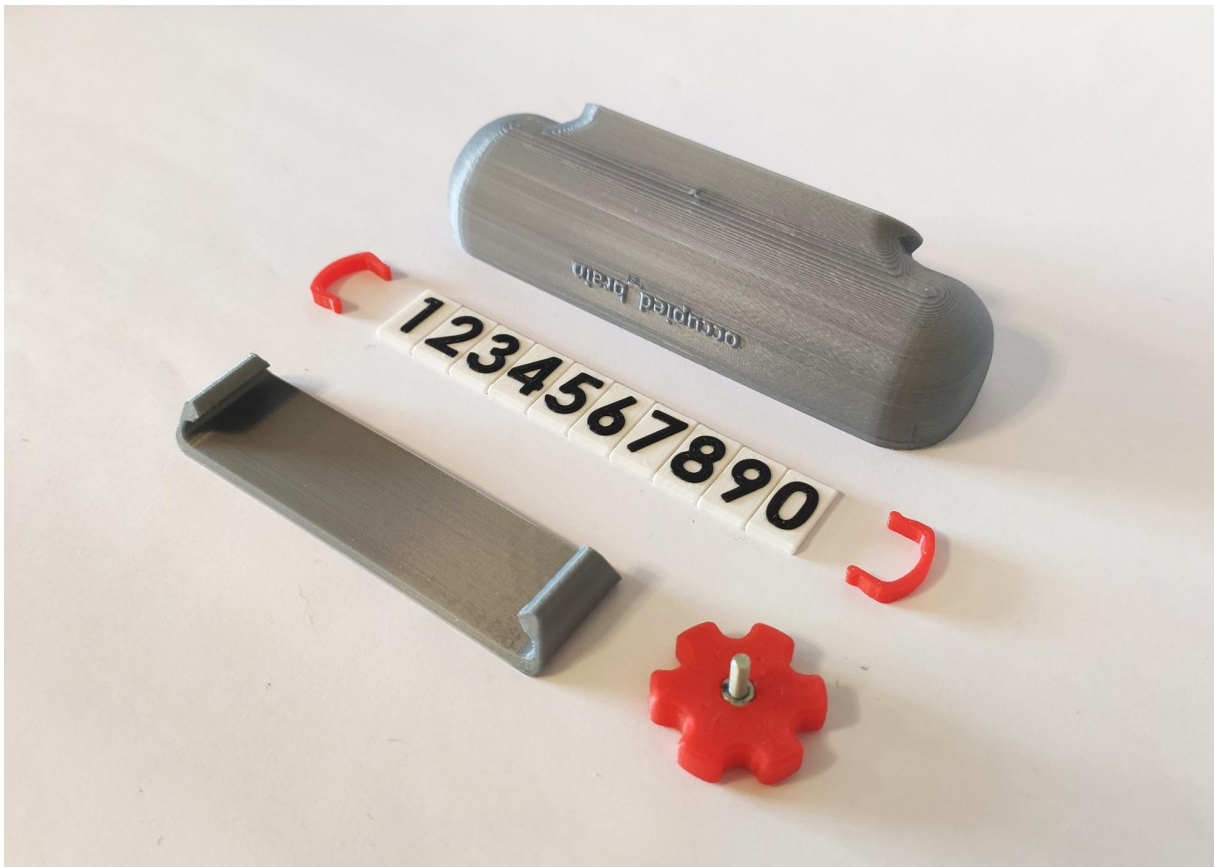

All parts are printed at 200um layer height.

Recommended material : **PETG**

PLA will degrade over time with exposure to sunlight.

12mm M3 Nut & Bolt required for the knob.

You can stick the Base Clip to any surface with a double sided tape. It is compatible for all 3 versions.
