This model is a corps class trooper unit for Star Wars Legion.

Three Velociraptors and one Velociraptor leader are needed in a full unit.

Velociraptor was not near as large as the one in the movie, but Deinonychus was, and that model is coming soon.

Printer: Prusa Mini.

Supports: everywhere, 15-degree overhang threshold.

Layer height: variable for best quality.

Infill: 5%, gyroid.

Brim: not needed.
