HDD/SSD holder/rack/caddy/storage

Can hold 2 x 3.5" HDDs or 7 x 2.5" drives

Supports both the standard 9.5mm drives and the slim 7mm drives (by aligning to the left/right of the slot).

3.5" slots are marked with 1/0

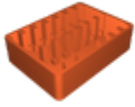

2.5" slots are marked with the day of the week (7 Days version) or A to G (Alpha version)

HL versions come with r/homelab logo and text, "HL Logo" versions just have the front logo.

Blank version available for your own tinkering!

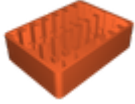

Printed fine with 0% infill. (YMMV)
