A tool holder designed to have all our utilities that are used daily in our 3d printer.

It is designed in principle for the Anet E10, since it is long enough to avoid the X-axis tensioner (improvement), but it can be used in any other 3d printer with a 2020 aluminum frame.

### Print Settings

#### Printer Brand:

Anet

#### Printer:

E10

**Rafts:**

Doesn't Matter

**Supports:**

Yes

**Resolution:**

0.2

**Infill:**

30
