Protect your table, stow your beverage and show your support for the greatest Japanese baseball team!

Essentially this is a 3D model of the Hanshin Tigers logo with a bit of added depth for different elements, might look nice scaled up and painted too! My example print is a bit rough as I was eager to get this made, I'm sure yours will be better!

Recommend scaling to 85mm x 85mm in your slicer of choice for coaster size!
