

RMU Full_Bottom v4 with windows!

Pablo Simone

[VIEW IN BROWSER](#)

updated 22. 2. 2022 | published 15. 2. 2022

Summary

This is a remix from the botton part of the buffer made by Manzn. Same size, more windows. Wall mount included.

[3D Printers](#) > [3D Printers - Upgrades](#)

This is the bottom part of the Manzn's buffer but I added windows because I like to see the filament load and unload.

Wall mount included.

This remix is based on

MMU2S Buffer (inspired by RMU Buffer)

by Manzn
