## Summary

A custom spice rack made to hold 12 square shaped spice jars.

[Household](#) > [Kitchen](#)

A custom spice rack made to hold 12 square shaped spice jars. It was designed specifically for these:

but I have found the most common square spice jars you can get with spice in them will fit well. I printed 2 of them to fit in a small cabinet above my oven so the most common spices could go in front. Saved a ton of space.

.2mm, no supports, 20% infill
