Summary

One ring to count them all

[Fashion](#) > [Other Fashion Accessories](#)

Tags: [ring](#) [fidget](#) [spinning](#) [relax](#) [count](#) [stress](#)

A Ring to count whatever you like. The Number 10 is embossed while the rest of the numbers is "cut out" so you will recognize when you turned a 10 pack (without looking). Print 2 or more rings for more digits ^^
