Tags: [pegboard](#) [pegboardmount](#) [pegboardtools](#)
[pegboardholder](#)

This pegboard mount was designed for the Seville Classics Workbench and was designed specifically for this tweezer set (which I do recommend):

https://smile.amazon.com/gp/product/B07RNVXXV1/ref=ppx_yo_dt_b_search_asin_title?ie=UTF8&psc=1

The print is in two pieces so you might be able to use just the tweezer part on other pegboards. I print all my mounts in two pieces and just super glue them together to avoid having to use supports.
