Daniel Ricciardo stomp pad. Approx measurements are 161x92x6.5mm. I did a color change at 4mm to switch from orange to blue to give the overlay look and define the #3 better. The stomp pad itself has traction from the lines in the 3, and a height difference between the McLaren logo and the number.

I haven't actually tried snowboarding with this, it's a gift for a friend, but I'm hoping it holds up well. Planning on adhering it with Loctite outdoor adhesive glue.
