Thermometer Stand & wall mount

(I also made another version: <https://www.prusaprinters.org/fr/prints/127975-thermometer-hygrometer-indoor-stand>)

- can receive the probe cable inside.
- rear door to completely close the box.
- location for the screws at the back.
- inclined surface for stand type installation.

Assembly requires :

thermometer: <https://fr.aliexpress.com/item/4000844079579.html>

Print Settings :

Supports: No

Resolution: 0.2 mm

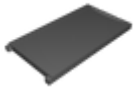

Infill: 20%

Happy Print to the whole community :)
