Ain't that a Croc? Well if you fancy yourself the kinda person who likes a walk on the beach wearing the ultimate comfort shoe the only thing missing is the bling. If you live that "Don't Care" lifestyle or want everyone around you to see your spirit animal strutting its stuff. This is the Jibbit for you. Place the downloaded file in your slicer, supports and add a switch filament command and print the one item you have been missing in your life.
