NEW VERSION: I've rewritten this drying rack clip from scratch! Fully customizable to fit any rack. Check it out!

Tired of struggling to fold your clothes airer? The innovative Folding Rack Latch is the solution you've been searching for. This clever drying rack locking clip provides a secure and easy way to fold your clothes horse, turning a frustrating chore into a simple task.

Designed as a laundry rack handle, it offers a firm, comfortable grip, allowing for a swift and smooth folding motion. The integrated click-lock mechanism ensures your drying rack stays securely closed, preventing it from a messy unfolding. Say goodbye to pinching your fingers or wrestling with bulky frames.

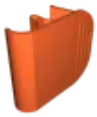

Whether you call it a drying rack, clothes airer, or clothes horse, this latch will transform your laundry routine. Its user-friendly latching clip makes a perfect lock and release system for any home.

For best results, I recommend printing this in **PETG** or another **heat-resistant filament** (ABS, ASA, ect...).

This model is suitable for **16 mm (0.63 inch)** pipes. If you have a different diameter, just scale the model accordingly:

Pipe diameter	Scale
15 mm	93.7 %
14 mm	87.5 %
13 mm	81.2 %
12 mm	75.0 %
11 mm	68.7 %
10 mm	62.5 %
