This **Garden Tool Hook** is designed to neatly hang garden tools such as brooms, spades, and rakes in your shed or garage. It is made to fit tool handles with a **diameter of up to 35 mm**, making it suitable for most standard broomsticks and shovel handles.

The hook is strong and durable, perfect for 3D printing in **PETG or ABS** for better strength and temperature resistance.

Mount it easily to a wall, cabinet, or shed panel using screws for a tidy and space-saving storage solution.
