Description

Tired of a cluttered workspace? This small, simple desk organizer is here to save the day! With its sleek design and the option to choose a stylish color filament, it not only tidies up your essentials but also adds a pop of personality to your desk. Say goodbye to chaos and hello to a neat, organized space that boosts your productivity!

Instructions

This versatile drawer design lets you print all the drawers together or separately, giving you flexibility based on your needs. No supports are required, making the printing process smoother and easier. Just keep the infill above 15% for optimal strength and durability. Perfect for organizing your space with style!
