Starfighters are sooo last Christmas, traverse planet Hoth in style on (or in) a friendly Tauntaun! Try not to mind the smell. In emergency situations can alternatively be used as a snuggly sleeping bag.

Rider variant coming 2022!

Be sure to check out my other Star Wars kits... **X-WING X-WING OLD Y-WING B-WING TIE ADVANCED V-19 TORRENT TRI-FIGHTER**

For those uninterested in the card format, there are frameless variants included alongside the individual part files! Happy Printing!

If printing parts separately, be sure to print one of each arm and leg, as there are small differences between them!

Makes greatly appreciated, always happy to see them!
