When Roma's enemies hunker down behind trenchworks and fortifications, the legates do not call upon the Triarii to break the walls but the Combat Sappers. Storming from freshly excavated tunnels these men and women fill trench ways full of high velocity flechettes that tear flesh from bone.

As you can see 5 more poses exist for these guys (Including the shovel knight) you can find them on my patreon here along with several other grimdark themed models: <https://www.patreon.com/ThatEvilOne>
