A hook/hanger for a towel or a rag without a hanging loop. There are two versions for mounting it either with a hidden screw or with double-sided tape.

### Printing

Print with the open end facing down as the object is positioned in the file.

Depending on your printbeds adhesion quality a brim might be necessary.

The screw plate is best printed solid with 100% infill.

### Installation

When installing the screw mounted type, slide it over the screw plate and press down firmly until it snaps into place.
