A convenient drawer to hold the tool kit that comes with the Vespa GTS. Also two holders, one for the shock wrench and one for a 17mm single ended open jaw wrench (http://www.usag.it/catalog/en/products/details/648/248/Single_ended_open_jaw_wrenches).

[EDIT 10-08-2017]

Drawer-3D4_V2 added.

The screwdriver has been tilted to improve insertion of the drawer. Added an insert to accommodate a W5W / W16W bulb.

[EDIT 11-08-2017]

Drawer-3D4_V6 added.

The front panel has been improved for a better compartment cover and is thicker. Vespa logo added on front panel.
