### Summary

Blink Mini camera mount for inside Lack enclosure

[3D Printers](#) > [3D Printers - Upgrades](#)

Tags: [mini](#) [enclosure](#) [lack](#) [blink](#)

Simple mount I made in Fusion 360 to hold Blink Mini camera to corner of Lack leg. Uses M3x8 screw and nut to mount camera

I updated the mount (v5) to be able to utilize the same screws used for the Lack enclosure top corner parts
