Tags: [gardening](#) [seedstarter](#) [growyourown](#) [growtray](#)
[seedstarting](#)

Dibbler plate designed to be used with the Charles Dowding series of seeds trays (should work with all current versions, 60, 30 and 15 cell versions) made by Containerwise. Sized to make a nice size hole for planting your seeds into.

The dibblers are also sized to fit into the drainage hole at the bottom of the module you can use it as a push out plate when you plants are ready to plant.
