Summary

IKEA Tjalla no screw wall hook

[Household](#) > [Home Decor](#)

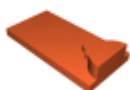

Tags: [ikea](#) [wallhook](#) [noscrews](#) [tjalla](#)

Wall hook designed to be mounted to the wall without drilling or using screws, using double sided tape. The back has a flat surface of 20mm x 40mm for mounting the double sided tape.

It was designed specifically for the IKEA Tjalla wall clock, but can probably be used/adapted for other items using the same mounting mechanism (requiring a screw into the wall, to hang off of).
