Summary

Stand for holding a 4oz Gorilla Glue bottle upside down for longer storage life.

[Hobby & Makers](#) > [Organizers](#)

I believe liquids like glues, paints, and varnishes, have a longer shelf life when stored upside down. This is a sturdy, stylish, little stand that holds a 4oz/120ml bottle of Gorilla Glue securely upside down.

I can envision a couple improvements, but it does the job as is. I could not get it to print correctly without supports.
