## Summary

A bespoke organizer for finishing tools

[Hobby & Makers](#) > [Organizers](#)

Tags: [organizer](#) [tool](#) [knife](#) [sanding](#) [pliers](#) [tools](#) [qtip](#)  
[chisel](#) [finishing](#) [qtips](#) [finish](#)

I needed to get all of my finishing tools off the table, organized, and within arm's reach. So I designed my own. The model holds

- 2 chisels
- 3 hobby knives
- 4 utility containers. I put qtips in the middle, replacement blades in the back, sanding and tweezers in the front, and pliers on the left.
- Grooves on right container for holding and separating handles of small tools

Make sure the model fits on your printer!! It should be about 190mm tall. Short enough to fit on most Prusas.
