This is an accessory for your helmet so that you can wear your mask without harming your ears. It attaches to the earmuffs on your helmet by using some plastic pins that you will need to print too. Furthermore, the flaps are printed separately so that they can be printed on their own if they brake. This will be fully compatible with the following earmuff models:

Este es un accesorio para tu casco para que puedas llevar tu máscara sin molestias en las orejas. Se acopla a las protecciones auditivas del casco de trabajo utilizando unos clips de plástico que también necesitarás imprimir. Además, las lenguetas se imprimen de forma separada para que puedan

ser impresas independientemente en caso de que se rompan. Este accesorio es completamente compatible con los siguientes modelos de protecciones:

3M PELTOR Earmuff Assembly

3M PELTOR Optime 105 Earmuffs H10P3E, Hard Hat Attached

3M PELTOR X4 Earmuffs X4P51E, Hard Hat Attached
