Summary

Rodin - The Walking Man, Bronze, 1889

[Art & Design](#) > [Sculptures](#)

Tags: [3d](#) [scan](#) [sculpture](#) [rodin](#) [polycam](#) [sketchfab](#)

I saw this sculpture on display at the [Columbia Museum of Art in South Carolina](#).

Scanning bronze is a challenge, so I like to revisit these sculptures every year or so to try scanning them again.

Read [more about this sculpture here](#).

Scanned using Polycam, cleaned up in Meshmixer.

Full scan with texture [available on Sketchfab](#).
