This is a multi-tool for my Size 000 Capsule Filler. It is used to scrape powder into the capsules, compress the powder, and lift them out of the filler.

PRINTING INFO: Print **1x base** and **10x pegs** . Nine are fitted into the divots, and one is fitted through the hole to act as a handle. CA glue was used to secure the tenons in the mortises.

See the capsule filler base for more information: <https://www.prusaprinters.org/prints/147492-size-0-capsule-filler-base>
