Summary

Carabiner and runner holder with handle

[Sports & Outdoor](#) > [Outdoor Sports](#)

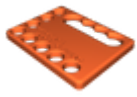

Tags: [anchor](#) [carabiner](#) [climbing](#) [escalada](#) [holder](#) [runner](#)
[verticalwindturbine](#) [windturbine](#) [rana](#)

Usually work with runners or carabiners from a few technologies, the problem was when you have four different in the bag always knocking with the arnes so, with this all runners, anchor and carabiners are together.

Make to work in wind turbines.

Its preferable in PETG with basement supports, minimum 20% infill and 0.2 mm
