This is a clip that goes over the top of either of the two folding bathroom walls. The idea is to use N clips (where N is the number of holes in the shower curtain you want to mount) and put them over the walls where needed. The pin is used to hold the curtain in place. For now, hopefully the pin can be removed however the clips might end up being single use.

Note: print the pins solid otherwise they will fall apart and break off in the clip.

Print Settings

Printer Brand:

Creality

Printer:

CR-10S

Rafts:

No

Supports:

No

Filament: eSun PETG White

Notes:

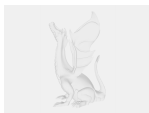

No supports are needed if you print in the orientation shown.
