[VIEW IN BROWSER](#)

updated 23. 3. 2022 | published 23. 3. 2022

## Summary

Block your webcam with tape and it looks tacky, use this and it's fun. Plus Killroy is watching you so you behave.

---

[Gadgets](#) > [Computers](#)

---

M4x.7 threads are a bit tight, but use a cap head screw and thread it in.

Will adjust to fit different thicknesses of laptops.
