I needed a front clip for my shelf, that let me loading by the top

It includes a thread at the bottom to fit a PC-4 M10 PTFE Coupler

Single and MM version (with numbers 1 to 5)

Thanks to the creator of the spool holder, it's an amazing job !

Print instructions

0.2mm layer height

No support (included in the design)

This remix is based on

Gravity spoolholder for MMU2S
