Summary

recycled pet bottle - floating candle holder, suitable for all types of floating candles such as those from ikea

[Household](#) > [Home Decor](#)

Tags: [candle](#) [floating](#) [candleholder](#) [floatingcandle](#)

A very simple floating candle holder made with the top part of a PET bottle.

Available in two heights and with hearts as a decoration on the base (the one without it in the photo).

Cut the bottle at the height you prefer, do not remove the cap and insert it into the base.

Fill it with water, insert and light a candle and that's it.

Suitable for indoor and outdoor.
