### Summary

Repair part for Orion ORB-017 Kitchen blender.

[Household](#) > [Kitchen](#)

This is a repair part for Orion OBR-017 Kitchen Blender - reduction gear. Mine is printed in PLA, but PETG or Nylon would be better. Internal diameter should be 5mm, but my printer makes it smaller, so this model have 5.4mm diameter. If your printer is more precise then make it smaller to have a tight fit on shaft.
