I printed the Halloween Pumpkin: <http://www.thingiverse.com/thing:134066>

And needed a base. Not really a remix, just a base matched to support 3DWP's hidden face pumpkin and my custom LED light set up.

I used a 12v 24LED COB usually used for a dome light and a LED dimmer with an RF remote.

Print Settings

Rafts:

No

Supports:

No

Resolution:

0.25mm

Infill:

20%

Post-Printing
