Summary

Upcycle your old PET-bottles to a romantic candlestick with just a small print.

[Household](#) > [Living Room](#)

Tags: [upcycling](#) [candleholder](#)

Now you can reuse and upcycle your old PET-bottles. All you need is a candle, two PET bottles, scissors and a 10 mm drill bit. Nothing stands in the way of a romantic dinner or a good game of chess.

Print out (no support, no brim, 15% infill). Drill 10mm hole in two caps. Connect the caps with first part and fix with second part. Cut the bottles. Mount the candle.
