updated 25. 3. 2022 | published 24. 3. 2022

### Summary

This is a Tools Stand for RC Tools! It is much cheaper as the commercial ones.

[Hobby & Makers](#) > [Tools](#)

Tags: [organizer](#) [rc](#) [stand](#) [tools](#) [toolorganizer](#)

Easy to print without supports. Tested with PLA and PETG.

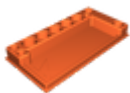

It is a very handy gadget to organize your tools on the table.

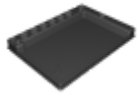

#### Update:

- I have added a bigger version of the Tools Stand.
