This stand will hold 3 outside micrometers (0-1", 1-2", 2-3") and a caliper with a maximum jaw length of 83mm (3.25"). No supports, easily printable. 10% infill and 2mm walls. This was designed for Insize micrometers. other brands may not fit perfectly depending on thimble and frame sizes but should fit functionality. Redesign in progress to be more universal.

UPDATED

Width increased to accommodate wider body with (usually caused by a plastic insert to identify the brand). Model with increased width is the v1.1
