

## Beskar Spear from the Mandalorian for a 17mm diameter pole

[VIEW IN BROWSER](#)

updated 4. 4. 2022 | published 24. 3. 2022

### Summary

This is a spear I made for my kids. It was designed for a pole with a 17mm diameter, but it can be upscaled.

---

All prints are oriented for best placement. I used PETG but any filament should work. I used a .3 layer height but again you can print in finer detail if desired.

Happy printing!
