A custom storage solution utilizing this crate sold by Hornbach <https://www.hornbach.de/shop/Holzkiste-600x150x400-mm/5065587/artikel.html>

With this particular crate there is a small interspace in which the token collectors fit.

The main part dimensions are 125x75x75 mm, so feel free to fill any other crate to your needs. The wooden box has internal dimensions of 57.7cm to 37.7cm.
