Just a remix of <https://www.thingiverse.com/thing:2977202>.

Since I didn't had 1/4in x 1/8in x 1/8in magnets at hand, I drew up a version for Ø4mmx1mm neodym magnets (which I had in larger quantities).

Mind the little triangle;

Orient it north while gluing in the magnets, this will ease the set up prior to gaming.
