updated 24. 3. 2022 | published 24. 3. 2022

### Summary

Put a filament guide wherever you need it.

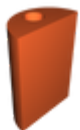

[3D Printers](#) > [Accessories](#)

This is designed for the “Poster” size 3M command strips, part number PH024-64NA,

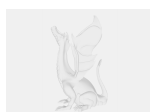

e.g. [https://amazon.com/dp/B0751VFF2X?psc=1&ref=ppx\\_yo2\\_dt\\_b\\_product\\_details](https://amazon.com/dp/B0751VFF2X?psc=1&ref=ppx_yo2_dt_b_product_details) .

Just put a PTFE tube through the hole and stick it wherever you want.
