Box consisting of 2 parts, a lid and a slide-in nozzle holder. Designed for 0.4, 0.6 and 0.8 nozzles, 14 spaces for each size, totaling 42 nozzles.

Both lid and the holder parts use a 5x4mm magnet to hold on to each other when slided-in.

There is a shorter version which holds 8 nozzles for 3 sizes (24 nozzles total) as well.

You can either print it then use a marker for the top 0.4mm or use color change feature.
