I had put the original two pieces together in cad but ended up with a ridge line .

I then asked the maker to upload the file in one piece .

but i decided to remesh the two pieces to clean it up a bit and join them.

before he posted the full size .

but i decided to share my remix anyway.

also added a version with breathing slots

## Print Settings

### Printer:

home built

**Rafts:**

No

**Supports:**

No

**Resolution:**

0.2

**Infill:**

100

**Notes:**

I used 40 lines of skirt outlines and it didn't go no where.
