Baby Yoda by Chris Frieze. Made for MMU.

Materials:

Materio 3D GI Green

Atomic Iridescent (perfect for ears)

Polyalchemy Elixir Eyes

Polyalchemy FX robe

Posted with permission to PrusaPrinters from Chris Frieze. Any further remixes are welcome but should be placed back on MMF.

Print instructions

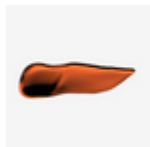

The head is meant to print separate from the robe to save time, material, and make supports easier. Please use supports. 55% scale (as shown) is the smallest I would go.

The gcode / MMU color order is Green, Pink, Black, Brown, Tan. You can load all 5 colors and print without swapping in between files. About 8 hours each file.
