

## Camera arm for Monitor Pole with hot shoe

QT

[VIEW IN BROWSER](#)

updated 25. 3. 2022 | published 25. 3. 2022

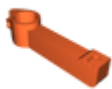

### Summary

Mount your camera to your monitor pole if you have one.

[Gadgets](#) > [Photo & Video](#)

The pole diameter should be about 35mm.  
You also need a M8 screw and a nut.
