This is a remix of Ethanfel's Brick Block cartridge case to fit 3DS / NDS game cartridges instead of Switch cartridges (<https://www.thingiverse.com/thing:2647064>). The bricks are the same, but the interior has been modified for the larger cartridges. Once I got started with these for my Switch games, I needed a matching lineup of blocks for each system...

Also check out Kickass3DPrints's Question Block (<https://www.thingiverse.com/thing:2517867>) , and Ethanfel's matching POW Block (<https://www.thingiverse.com/thing:2642892>) and Switch Block (<https://www.thingiverse.com/thing:2627168>).
